INSTRUCTIONS FOR COMPLETING THE APPLICATION FOR LICENSURE RENEWAL
AS A KENTUCKY HOME INSPECTOR

Note: All information on the application must be typed or printed clearly.

I. Passport Quality Color Photograph—

- a. Must be a color photograph (*we cannot scan black and white pictures*)
- b. Should be 2" x 2"
- c. Passport photos can usually be obtained at your local post office. Photo processing centers may also offer this service.

I. Address Information -- You must provide a current, physical street address. P.O. BOXES WILL NOT BE ACCEPTED.

II. Renewal Period and Fees – By statute, renewal licenses expire on the last day of the licensee's birth month of each **even numbered** year. Depending upon when you renew your license, the renewal license could be valid for one year or two years. The fee for renewal is \$250 per year.

Examples –

(a) You were originally licensed on July 1, 2006, and your birthday is in March. Your initial license will expire on March 31, 2007. When you renew your license in March, 2007, the renewal license will expire on March 31, 2008. Accordingly, your renewal license is valid for one year, and you would pay a \$250 renewal fee when you renew in March, 2007. For subsequent renewals, your renewal license will be valid for two years, and the renewal fee will be \$500.

NOTE: The renewal fee will be reduced on a pro rata basis for all renewals in 2007 where the initial license period was less than twelve (12) months.

(b) You were originally licensed in January, 2007 and your birthday is in November. Your initial license will expire on November 30, 2008. When you renew your license in November, 2008, the renewal license will expire on November 30, 2010. Accordingly, your renewal license is valid for two years, and the renewal fee will be \$500. For subsequent renewals, your license will be valid for two years, and the renewal fee will be \$500.

III. Continuing Education Course Information –.

(a) When Applicable --

(1) **Licensed Under The Alternative Licensing ("Grandfathering") Provisions.** If you were licensed under the grandfathering provisions, before your first renewal, you are required to complete at least three (3) hours of continuing education in manufactured housing, six (6) hours of continuing education in Kentucky laws and regulations, and six (6) hours of continuing education in the applicable standards of practice. After the initial renewal, the regular continuing education requirements will apply (see part (c) below).

(2) **Licensed Under The Other Application Provisions –** If you were licensed under the standard application provisions (that is, you passed an approved pre-licensing course and passed an approved exam) or were licensed through the non-resident or reciprocity provisions, then the continuing education requirements only apply if you will have been licensed for at least twelve months at renewal.

Examples --

(i) You were initially licensed on July 1, 2006 under the alternative licensing ("grandfathering") provisions and your birthday is in March. Your initial license will expire on March 31, 2007, and you will have to apply for renewal by March, 2007. Because you have been licensed under the grandfathering provisions and have not yet had any courses related to manufactured housing, Kentucky laws and regulations, and the standards of practice, you will have to complete the continuing education requirements described above in part (a)(1) before your March, 2007 renewal. Thereafter, you will be subject to the same continuing education requirements established for all licensees.

(ii) You were initially licensed on July 1, 2006 under the standard licensing provisions and your birthday is in March. Your initial license will expire on March 31, 2007, and you will have to apply for renewal by March, 2007. Because you have not yet been licensed for a full twelve months, the continuing education requirements will not have to be met prior to your first renewal. For each renewal thereafter, the continuing education requirements will have to be met.

(iii) You were initially licensed on January 1, 2007, and your birthday is in November. Your initial license will expire on November 30, 2008, and you will have to apply for renewal by November, 2008. Because you will have been licensed for more than twelve months at the time of renewal, the continuing education requirements will have to be met prior to renewal.

(b) **Proof of Completion --** You must supply the original or copy of a certificate of course completion.

(c) **Required Courses –** Except for those individuals licensed under the “grandfathering” provisions that must complete the requirements described in part (a)(1) above before their initial license renewal, each licensee must have a minimum of fourteen (14) continuing education hours per license year prior to renewal. In addition, a minimum of three (3) hours in manufactured housing, three (3) hours in Kentucky laws and regulations, six (6) hours of applicable standards of practice and two (2) hours in other Board approved continuing education is required prior to renewal. **Note:** only courses approved by the Kentucky Board of Home Inspectors will qualify as satisfying these requirements.

IV. Certificate of Insurance – You must submit an original or copy of a certificate of insurance that meets the following requirements:

- a) Is issued by an insurance company or other legal entity authorized to do business in Kentucky;
- b) Provides for general liability coverage of at least \$250,000;
- c) Lists the Kentucky Board of Home Inspectors as the certificate holder; and
- d) Provides cancellation or non-renewal of the policy is not effective until the Kentucky Board of Home Inspectors receives at least 10 days prior written notice of the cancellation or non-renewal

V. Other State Licenses/Certification/Registration/Permits—Examples of such items include electrician, HVAC and plumber licenses.

VI. Copy of completed home inspection report – You must submit a copy of a completed home inspection report that has been compiled within the previous twelve (12) months immediately preceding renewal.

VII. Payment—Please remit your check or money order for the appropriate renewal fee (either \$250 or \$500, see instructions in Paragraph V above) made payable to “KENTUCKY STATE TREASURER”. **This renewal fee is non-refundable.** You may also pay by credit card by providing the following information and signing the authorization:
